

- Product No. : SRI986-BIDS7ZZZNA
- Product type : SRI986 Electro-Pneumatic Positioner
- Version : B = Single Acting
- Input : I = Signal Range 4 - 20 mA
- Mode of Action : D = Direct Version: Increasing Input increases Output
- Built-In Limit Switch/Position Transmitter : S = Without
- Cable Entry : 7 = M20 x 1.5 With One Plastic Cable Gland, Color Gray
- Electrical Certification: (Only Standard Device) : ZZZ = Without
- Attachment Kit : N = Order as Auxiliary
- Manifold : A = Order as Auxiliary
- Manifold (Connection 1/4-18NPT) : LEXG - JN = with gauges for supply air, y, for version single acting (for SRP981,SRI986) .
- Ambient temperature : -40 ... 80°C (-40 ... 176°F)
- Relative humidity : up to 100 %
- **Shipping Weight : 3 Kg**
